District Updates

Maintenance Updates

The maintenance employee Enrique has been maintaining the streets, cleaning, sweeping and emptying trash cans. Trash pickup has been at a higher frequency due to the trash from the illegal RV's parking in along Humboldt.

No Overnight Parking of RVs Issues

A Board meeting was held on March 28th at 9:00 am at 420 West Avenue 33 to discuss the problems on Humboldt Avenue. **Seth welcomed everyone together, there was a very large crowd from the community to discuss the lack of progress with the Council office and the illegal encampments., illegal lodging, illegal vending and overall chaos in the community. (a list of the attendees will be added to these minutes. Two members of the Council District 1 office were present to explain to the community why "no park" signs could not be installed, though they have been in other Council districts. Many residents, property and business owners were present and extremely angry at the lack of action. LAPD has not been able to do much without the support of the Council office. We will continue to try to work with the Council office and contact the Mayor for support during this crisis. Another meeting is scheduled for April 25th.**

Please call 888-356-2726 if you have any questions regarding maintenance issues.
